

# DID YOU KNOW?

Washington State Basic Education Act defines the arts as a core subject\*

*And yet...*

**33%** of elementary students receive less than one hour per week of arts instruction

**47%** of schools offer instruction in only one of the four primary arts disciplines

**9%** of schools offer no formal arts instruction at all

No wonder

**63%** of principals are dissatisfied with the quantity of arts in their schools\*\*
