Q1 Which of these arts did you have as part of your K-12 education? **Music,**
Visual Arts

Q2 How did learning in the arts impact your education and life after high school??

I enjoy visiting museum and listening to music

Q3 How would you describe the current status of arts education in your district? What's good, and where is there room for improvement?The arts (dance, media arts, music, theatre, and visual arts) are a core subject in our state definition of basic education, and in federal law.(1) However, the reality is that many schools are not providing adequate arts instruction.(2)

It's ok. We provide music and band and art class .

Q4 How would you describe your role in ensuring that there is an equitable provision of standards-based arts instruction for all students in your district? What strategies would you use to support this?A well-rounded curriculum is a key part of a high-quality education. However, studies(3) show that over the past decade the arts have been crowded out of the school day.

Q5 How do you see the arts playing a role in student success in your district?Extensive research (4) has shown that arts education increases student engagement. It helps close opportunity gaps, reduces dropout rates, helps more students be college-ready, and develops the creativity needed in the 21st-century workforce.

Art that is digital would-be popular

Q6 If elected, which of these strategies would you consider for supporting arts education in your district? (Check all that apply)

Develop or update a district level arts plan. Outline policies, goals, and strategies for implementing arts education for all students.

Share research about the benefits of arts learning with colleagues.
