Q9 Research has shown that arts education increases student engagement, helps close opportunity gaps, and reduces dropout rates, yet a recent study in King County shows that race and income are barriers to access to the arts. How do you see yourself addressing fair access in your district?

I would like to know the reasons why race and income are barriers so we can establish ways to remove the barriers

Q10 If elected, which of these strategies would you consider to support arts education in your district?

Research current arts program and assess needs at district buildings

,

Work for a budget to financially support arts instruction at all schools

,

Develop or update a district level arts plan.

Q11 If elected, would you like Arts, Culture & Education updates from ArtsEd Washington?

Yes, and please send me the studies referenced in the survey
