Q9 Research has shown that arts education increases student engagement, helps close opportunity gaps, and reduces dropout rates, yet a recent study in King County shows that race and income are barriers to access to the arts. How do you see yourself addressing fair access in your district?

As a small school district with limited resources we are limited in what we can offer at this time, I hope in the next session of the Legislature this funding issue will be adressed

Q10 If elected, which of these strategies would you consider to support arts education in your district?

- Research current arts program and assess needs at district buildings**
- ,
- Work for a budget to financially support arts instruction at all schools**
- ,
- Support professional development for classroom teachers**
- ,
- Support cultural access legislation**

Q11 If elected, would you like Arts, Culture & Education updates from ArtsEd Washington?

No, but please send me the studies referenced in the survey
