**Q9** Research has shown that arts education increases student engagement, helps close opportunity gaps, and reduces dropout rates, yet a recent study in King County shows that race and income are barriers to access to the arts. How do you see yourself addressing fair access in your district?

Our school district is too small and underfunded to offer many of these opportunities, but some, such as theater, are offered outside the district by community groups. We need to look at offering credit to students that take advantage of these opportunities.
