Q9 Research has shown that arts education increases student engagement, helps close opportunity gaps, and reduces dropout rates, yet a recent study in King County shows that race and income are barriers to access to the arts. How do you see yourself addressing fair access in your district?

We need to provide more opportunities for students to experience many forms of arts in all levels of schools.

Q10 If elected, which of these strategies would you consider to support arts education in your district?

- Research current arts program and assess needs at district buildings**
- ,
- Work for a budget to financially support arts instruction at all schools**
- ,
- Support professional development for classroom teachers**
- ,
- Create a local arts education task-force**
- ,
- Develop or update a district level arts plan.**
- ,
- Support arts inclusion professional development opportunities**
- ,
- Develop or expand district support for teaching artist residencies**
- ,
- Expand district-wide data collection for tracking and accountability**
- ,
- Support cultural access legislation**

Q11 If elected, would you like Arts, Culture & Education updates from ArtsEd Washington?

Yes, and please send me the studies referenced in the survey
