Q4 Which of these arts did you have as part of your own K-12 education?

**Media Arts,
Music,
Theatre**

Q5 How did learning in the arts impact your education and life after high school?

Because of Chorus (grades 9-12) and Band (6-12), I have continued to sing and direct a church choir. Without those two experiences, I would not have continued my love for all kinds of music.

I also participated in all high school plays, grades 9-12. I have recently played one of the five lead roles in "Bingo, A Musical," at our local theater.

Q6 How would you describe the current status of arts education for Elementary students in your district? (The arts are a core subject in our state definition of basic education and in federal law.)

Dance	Adequate
Media Arts	Adequate
Music	Available
Theatre	Not available
Visual Arts	Available

Q7 How would you describe the current status of arts education for Middle School students in your district?

Dance	Not available
Media Arts	Robust
Music	Available
Theatre	Adequate
Visual Arts	Available

Q8 How would you describe the current status of arts education for High School students in your district? (Two arts credits are required for graduation.)

Dance	Not available
Media Arts	Robust
Music	Available
Theatre	Not available
Visual Arts	Available

Q9 Research has shown that arts education increases student engagement, helps close opportunity gaps, and reduces dropout rates, yet a recent study in King County shows that race and income are barriers to access to the arts. How do you see yourself addressing fair access in your district?

We are an amazing community that has a local theater where our children (through high school) can participate in dance, production, behind the scenes, singing, playing an instrument and acting a minimum of three major productions each year.

Q10 If elected, which of these strategies would you consider to support arts education in your district?

Work for a budget to financially support arts instruction at all schools

,

Support professional development for classroom teachers

,

Develop or expand district support for teaching artist residencies

,

Support cultural access legislation

Q11 If elected, would you like Arts, Culture & Education updates from ArtsEd Washington?

Yes, and please send me the studies referenced in the survey
