Q9 Research has shown that arts education increases student engagement, helps close opportunity gaps, and reduces dropout rates, yet a recent study in King County shows that race and income are barriers to access to the arts. How do you see yourself addressing fair access in your district?

We do not see that race or income are barriers to access the arts, our school just does not have a budget to hire a full-time music teacher- or any other art teacher - to provide the opportunities students need.

Q10 If elected, which of these strategies would you consider to support arts education in your district? **Work for a budget to financially support arts instruction at all schools**

Q11 If elected, would you like Arts, Culture & Education updates from ArtsEd Washington? **No**
