Q5 How did learning in the arts impact your education and life after high school?

We all have talents and gifts, I found out quickly through arts, my gift is not in arts. If I would not of found out early enough that arts was not my talent I might still be trying to pursue it today.

Making sure each student has options to their interests. Creating classes to meet the interests of the students, particularly in arts.

- Support arts inclusion professional development opportunities**
- ,
- Other (please specify):
- I only support what I know enough about. I would have to research in the unchecked items above before I supported them (I'm not rejecting them)
